A nome della Federazione Italiana Nuoto e mio personale rivolgo il benvenuto ad atleti, tecnici, dirigenti e giudici di gara giunti a Bolzano per partecipare alla 46° edizione del Diving Meeting. La prestigiosa manifestazione internazionale, in programma presso il Lido di Bolzano dal 28 al 30 giugno, sarà l'occasione per rivedere in gara gli atleti della nostra Nazionale che sono stati recentemente protagonisti ai Mondiali di Doha, e soprattutto rappresenterà l'ultimo test per tutte le Squadre Nazionali in vista delle imminenti Olimpiadi di Parigi.

La Città di Bolzano, legata alle grandi gesta delle famiglie Dibiasi e Cagnotto, e da sempre una delle capitali dei tuffi, si appresta a vivere, proseguendo la tradizione, una tre giorni intensa sotto tutti i punti di vista: tecnico, sportivo, sociale e logistico.

Certo di assistere a gare di alto livello, ringrazio il Comune e la Provincia di Bolzano per l'ospitalità, ed il Presidente del Comitato Provinciale Alto Adige – Südtirol della FIN Walter Taranto per il supporto nell'organizzazione e le professionalità profuse.

In meinem Namen und in Namen des Italienischen Schwimmverbandes, begrüße ich die Athleten, Techniker, Manager und Richter, die nach Bozen gekommen sind, um am 46. Diving Meeting teilzunehmen. Die internationale Veranstaltung, die vom 28. bis 30. Juni im Bozner Lido stattfinden wird, bietet die Gelegenheit, die Athleten unserer Nationalmannschaft wiederzusehen, die bei den Weltmeisterschaften in Doha Protagonisten waren, und ist insbesondere der letzte Test für alle Nationalmannschaften im Hinblick auf die bevorstehenden Olympischen Spiele in Paris. Die Stadt Bozen, die mit den Erfolgen der Familien Dibiasi und Cagnotto verbunden ist und eine der Hauptstädte des Wasserspringens darstellt, bereitet sich darauf vor, in Fortsetzung der Tradition drei intensive Tage in jeder Hinsicht zu erleben: technisch, sportlich, sozial und logistisch.

In Erwartung hochrangiger Wettkämpfe, möchte ich der Gemeinde und der Provinz Bozen für ihre Gastfreundschaft und dem Präsidenten des Südtiroler Landeskomitees des Italienischen Schwimmverbandes, Walter Taranto, für die Unterstützung bei der Organisation und seine Professionalität danken.

On behalf of the Italian Swimming Federation and myself, I welcome the athletes, technicians, managers and judges who have come to Bolzano to participate in the 46th Diving Meeting.

The prestigious international event, scheduled to take place at the Lido of Bolzano from 28th to 30th June, will be an opportunity to see again in competition the athletes of our National Team who were protagonists at the World Championships in Doha, and it will represent the last test for all the National Teams in preparation for the upcoming Paris Olympic Games. Bolzano, linked to the great legacy of the Dibiasi and Cagnotto families, is preparing to live, continuing the tradition, an intense three days from all points of view: technical, sporting, social and logistical.

Looking forward to high-level competitions, I would like to thank the Municipality and the Province of Bolzano for their hospitality, and the President of the Provincial Committee South Tyrol of the Italian Swimming Federation Mr. Walter Taranto for the support in the organization and his professionalism.

Quando si parla di tuffi, Bolzano e l'Alto Adige rivestono da decenni un ruolo molto importante a livello internazionale. Merito dei pionieri di questo sport come Klaus Dibiasi e Giorgio Cagnotto, ma anche di Tania Cagnotto, che proprio dai trampolini e le pedane della piscina del capoluogo hanno costruito con passione e sacrificio le loro fortune sportive.

Sono lieto di salutare il ritorno di una nuova edizione del "Bolzano Diving Meeting", in programma dal 28 al 30 giugno 2024. Un appuntamento che quest'anno, più che mai, vedrà al via un parterre straordinario, trattandosi dell'ultima gara di preparazione ai Giochi olimpici estivi di Parigi 2024.

A tutte le atlete ed atleti provenienti da tutto il mondo, agli organizzatori, i volontari e anche al numeroso pubblico che sono certo non farà mancare il proprio calore, auguro un meeting ricco di successi e spettacolo.

Bozen und Südtirol nehmen im Bereich des Wasserspringens seit Jahrzehnten eine wichtige Rolle auf internationaler Ebene ein. Dazu beigetragen haben insbesondere Pioniere dieses Sports, wie Klaus Dibiasi und Giorgio Cagnotto, aber auch spätere Spitzensportlerinnen wie Tania Cagnotto. Auf den Sprungbrettern und -türmen der Landeshauptstadt haben sie mit viel Leidenschaft und Opferbereitschaft an den Grundlagen ihrer späteren Erfolge gearbeitet.

Es erfüllt mich mit Freude, dass eine neue Ausgabe des „Bolzano Diving Meeting“ vom 28. bis 30. Juni 2024 nach Bozen zurückkehrt. In diesem Jahr wird das Sportereignis durch ein außergewöhnliches Teilnehmerfeld geprägt sein, da dieser Wettkampf die letzte Gelegenheit zur Qualifikation für die Olympischen Sommerspiele 2024 in Paris bietet.

Allen Athletinnen und Athleten, welche aus allen Teilen der Welt anreisen, den Organisatoren, den vielen Freiwilligen und dem anwesenden Publikum wünsche ich eine Veranstaltung voller Erfolgsmomente, und insbesondere viel Spaß und gute Unterhaltung.

Bolzano and South Tyrol have played a very important role in high diving internationally for decades. The credit is due to pioneers of this sport, such as Klaus Dibiasi and Giorgio Cagnotto, and later top athletes such as Tania Cagnotto, who built their sporting successes through passion and sacrifice on the diving boards and platforms of the provincial capital's pools.

It is my pleasure to welcome back to Bolzano a new edition of the "Bolzano Diving Meeting", scheduled for 28 – 30 June 2024. The event this year will see an outstanding line-up of participants, as this competition is the last opportunity to qualify for the 2024 Summer Olympic Games in Paris.

I wish all the athletes, arriving from all over the world, the organisers, the many volunteers and also the spectators attending, an event filled with success and, above all, lots of fun and good entertainment.

Bolzano ha i tuffi nel cuore. Grazie ai campioni che hanno trovato casa nella nostra città, una disciplina tanto spettacolare, quanto impegnativa qui ha messo radici tanti anni fa dando il via a quella che nel tempo è diventata la gloriosa "scuola di tuffi bolzanina". Una storia che, sportivamente parlando, si è trasformata in leggenda grazie alle tante medaglie olimpiche e mondiali che l'hanno caratterizzata nel tempo, e che continua ad essere scritta e raccontata da atleti, tecnici e dirigenti tutti

impegnati a dare il meglio di sé per raggiungere i risultati sportivi attesi. Sono lieto che la nostra città possa ospitare una nuova edizione del Bolzano Diving Meeting, al Lido di viale Trieste. Ci saranno come da tradizione i migliori tuffatori del mondo.

Voglio rivolgere un caloroso saluto e benvenuto ai protagonisti della manifestazione, con l'auspicio che nella nostra città possano sentirsi come a casa: lo sport si incontra qui insegnandoci come sotto l'egida di una comune passione, seppure nell'ambito di una sana competizione, possa crescere l'amicizia tra le nazioni e i popoli.

Bozen hat das Wasserspringen in seinem Herzen. Dank der Meister, die in unserer Stadt ein Zuhause gefunden haben, hat sich hier vor vielen Jahren eine ebenso spektakuläre wie anspruchsvolle Disziplin etabliert, aus der im Laufe der Zeit die berühmte „Bozner Wasserspringenschule“ entstanden ist. Eine Geschichte, die, in sportlicher Hinsicht, dank der vielen olympischen und weltweiten Medaillen, die sie im Laufe der Zeit geprägt haben, zur Legende geworden ist und die weiterhin von Athleten, Trainern und Managern geschrieben und erzählt wird, die alle ihr Bestes geben, um die erwarteten sportlichen Ergebnisse zu erzielen.

Ich freue mich, dass unsere Stadt eine neue Ausgabe des Bolzano Diving Meeting am Lido in Viale Trieste ausrichten kann. Die besten Taucher der Welt werden wie immer dabei sein.

Ich möchte die Teilnehmer der Veranstaltung herzlich begrüßen und willkommen heißen, in der Hoffnung, dass sie sich in unserer Stadt wohlfühlen werden: Hier trifft sich der Sport und lehrt uns, wie unter der Ägide einer gemeinsamen Leidenschaft, wenn auch im Rahmen eines gesunden Wettkampfes, die Freundschaft zwischen Nationen und Völkern wachsen kann.

Bolzano has diving at its heart. Thanks to the champions who made their home in our city and who started its outstanding "school" of diving and its strong tradition in the sport, Bolzano has been a prolific contributor to the success of Italian diving over the years.

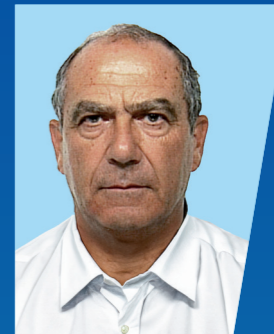

A story that, from a sporting point of view, has become legendary thanks to the many Olympic and World Championship medals that have been awarded over time, and which continues to be written and told by athletes, coaches and managers who all do their best to achieve the expected sporting results.

I am pleased that our city can host a new edition of the Bolzano Diving Meeting, at the Lido in Viale Trieste. The best divers from all over the world will be there as traditionally.

I would like to welcome all athletes competing at the 2024 Bolzano Diving Meeting, with the hope that in our city they can feel at home: sport meets here, teaching us how under the aegis of a common passion, even if in the context of healthy competition, friendship between nations and peoples can grow.
